Dunaway Resigns; Crook Takes Office

Kernit G. Crook, who was elected
first name of the season in a
closely contested game in Kin-
ston last Friday night. They ad-
vised to their string of victories
Tuesday night by a win over the
Florala five on the local court.
The Tigers were minus the ser-
vices of three top stars in the
Florala contest, Davis, King and
Farris being unable to play be-
cause of illness or injuries.
Both teams got off to a slow
start with each team scoring 5
points in the first quarter. The
Tigers began hitting the basket
regularly in the second period,
however and led at the half by
a 20 to 12 margin.
Elba scored 9 points to 7 for
the opposition in the third quar-
ter, but as the game came to an
end the Florala team began clos-
ing the gap and outscored the
Tigers 12 to 8. They fell short by
six points as the Tigers won 37
to 31.
Sam Dye, Billy Jacobs and Ben
Johnson tied for scoring hon-
ors with ten points each. Collier
made seven to account for the
remainder of Elba's score.
Chambers and Rudd led the
losers with eight points each.
Collier and Dye, who have seen
only limited service this season
made several spectacular long
shots that kept the local fans
in a good humor.
Dye and Parker both fouled
out near the end of the game to
slightly weaken the Tiger game.
The baby Tigers won the pre-
liminary game by 41 to 22 to con-
clude the season.

pressed with the desirable fea-
tures of the new cars. He was en-
thusiastic in his description of
what he saw in Atlanta, saying
he had no hesitancy in declar-

Funeral For John M. Kimmy, Jr. Held Here Saturday

John M. Kimmy, Jr., son
of Dr. and Mrs. J. M. Kimmy
was killed and Frank Young, son
of Mr. and Mrs. Waylan Young
is in a Luerne hospital in a cri-
tical condition as a result of a
motorcycle accident Friday
night. Jack Mathews, of Brant-
ley, driver of the car, stated that
he was on his way from Opp to
Brantley when he was near the
intersection of the Elba and Opp
highways, the bus was badly
damaged, evidently thinking the
car was further away than it
was, tried to turn left on to the
Elba highway and ran right in
front of his car.
According to Mr. Mathews,
both boys were thrown from the
motorcycle in a hopeless battle
der the car and being dragged
several feet before it could be
stopped. The car had to be rais-
ed by the Luerne hospital where it
was taken. The car was badly
mangled, a heavy blow on the
temple being pronounced as the
immediate cause of his death.
He lived only a few minutes af-
ter the accident.
Frank Young was taken to a
Luerne hospital where it was
found that he was suffering from
a severe blow on the head and
painful bruises and lacerations.
He remained unconscious
until Monday, when it is report-
ed that he partially regained
consciousness and his condition
seemed somewhat improved.
Hopes are now entertained for
his recovery.

said that so far as he has been
able to determine, nothing of
real value has been reported
missing, as a number of boxes
and other contents of the boxes
stolen from the lobby were re-

Frank Young Moved To Veterans Hospital

Frank Young, son of Mr. and Mrs. Wayland Young, who was seriously injured in a motorcycle wreck two weeks ago while enroute to Elba from the University, has been moved from a Lumberton hospital to the Veterans Hospital in Montgomery. He was unconscious for several days, but it is reported that he has regained consciousness and except for an attack of pleurisy, seems to be on the road of recovery. He received several broken ribs, a severe blow on the head and severe bruises and lacerations. Frank's mother has been at his bedside most of the time since he has been in the hospital and many other relatives and friends have called to inquire about his condition.

5 Babies In Family

Joe King, Elba Rt. 5, makes the startling statement that there are five babies in his family. He explains it this way: Mr. and Mrs. King are the babies of their respective families; their eldest son's wife is the baby of her family; they have a baby, and their second son, Thomas L. King and his wife have a baby making five babies in the King family.

Hog Prices Up

Hog prices at the Elba Livestock market sale were up a little Monday, showing an increase to \$18.45 from \$18.40 as was the case the preceding Monday. Ouday Packing Co. was the high bidder on No. ones. Cattle prices remained the same as the preceding week.

House Moves

Hershel Taylor has cleaned off the lot he purchased from Mrs. Hollan Harrison near Smith Brothers Store on an old moving a government house onto it from the Taylor Mill community. He is following the example of Wallace Taylor, who moved a house from that community about a year ago. This house is now his home about a mile northwest of Elba. If the Herschel Taylor home becomes as attractive as the Wallace Taylor domicile, it will greatly enhance the appearance of a lot that has stood vacant since the old blacksmith shop was removed therefrom several years ago.

Gets Late Start

Holland Harrison reports that he is fifty years old and has just had his first experience as a juror in serving on the Grand Jury Monday. Mr. Harrison has been a voter for more than 30 years but for some reason has not been called upon for jury duty at all that time.

Time For Ripley

Wallace Taylor, bookkeeper at Garrett Motor Company, is the youngest of 14 children of the late Mr. and Mrs. Jack Taylor. His wife, Mrs. Lillian Taylor, is the youngest of 14 children of her parents, Mr. and Mrs. G. W. Baker, of the Curtis community.

5. A copy of the 1947 return if depreciation was claimed on that return.

Grand Jury Returns 14 Indictments In Short Session

The Coffee County Circuit Court, Judge C. C. Brannen, presiding, convened in Elba Monday morning at 9:00 o'clock for the purpose of empanelling a grand jury and the trial of non-jury civil cases. Solicitor E. F. Paul, Court Stenographer Jeremiah and Circuit Clerk Gladys Clark were in attendance.

The grand jury investigated 19 presentments, returning 14 indictments, consisting of 9 felonies and five misdemeanors. The civil docket was disposed of in record time. Court adjourned on Monday afternoon, being one of the shortest terms of circuit court ever held in the county.

We, the Grand Jury, empaneled by Your Honor on Monday, January 24, 1949, hereby submit this, our final report.

We have investigated nineteen presentments, and return herewith fourteen indictments, consisting of nine felonies and five misdemeanors.

We have inspected the books and records of all public officers, and found them to be in order and neatly kept; we heard no complaints from the prisoners.

On inspection of the court house at Elba we found that

Boll Weevils To Be Improved In ASL In 1949 Season

The continuation of the Enterprise Boll Weevils in the Alabama State League this season was assured last week. Less than 50 fans contributed more than \$6,000 and a campaign was started immediately to raise the remaining \$1,500 necessary to stay in the league.

Officers for the year are J. L. Warren, president; H. G. Rickes, vice-president; W. T. McKinney, business manager; Leo Jeter, secretary and treasurer; and Russell Taylor, manager and coach.

Business manager McKinney reports that the Weevils will have several of the boys back next year, including "Rabbit" Rider, "Don" Palarsky, and Bob Negel.

Elba fans have supported this Coffee County team in the past few years and they are cordially invited to attend all games again this year. With coach Taylor at the helm, and several of the regulars back from last season, a good showing and many good ball games are in prospect at the Peanut Stadium this year.

Former Citizen Killed In Florida

Travis M. Hussey, farmer of Victoria community, died Jan. 18 in Pensacola, Florida, of a gunshot wound. He was 50 years of age and a member of the Baptist church. He was born in Coffee County, son of Bob and Lula D. Hussey.

Surviving are his wife, Mrs. Mattie Hinds Hussey; a son, Robert Hussey; a daughter, Mrs. Mildred Tompkins; three brothers, Oscar, Bibb and L. J. Hussey; three sisters, Mrs. Ola Stroud, Mrs. Mila Boutwell, and Mrs. Lila Hurst.

March Of Dimes Drive Nears Completion; Contributions Good

Dozier Roberts, chairman of the March of Dimes campaign, reports fine progress so far. The following schools have reported: New Brockton, \$112.60; Enterprise Elementary school \$134.20; Eanon \$11.60; New Hope \$26.40.

Campaign In Elba To Start Friday; Schools Report

The drive in Elba will start Friday morning with a volunteer committee soliciting funds for this important project of furnishing funds to fight the dread disease of infantile paralysis. The two local plants, Dorsey Trailers and L. A. Manufacturing Company are cooperating 100% in the campaign. Elba will be composed of: James Wise, Jake Bonneau, Flourney Whitman, Charles Lindsey and H. B. Larkin.

Chairman Roberts says that indications are that the \$500 raised last year will be more than doubled this year, but the need is twice as great, due to the epidemic of Polio in South Carolina and other parts of the country. South Carolina spent more than six million dollars for relief of the disease last year. A case of Polio reported in Dothan last week stimulated interest in this area.

Chairman Roberts urges all those who may not be solicited, because of lack of time, to please mail check to the Elba Exchange Bank or to Dozier Roberts, Elba.

Peanut Acreage To Be Determined By Three Year Average

Coffee County peanut growers were told this week that their individual farm peanut allotment for 1949 would be based on the harvested acreage of the three years.

C. R. Wise, chairman of the county PMA committee, said there was some misunderstanding of this year's peanut program. "Some growers thought the U. S. Department of Agriculture's statement that the national acreage allotment would be 22 per cent under last year's harvested acres meant that the allotment for each individual farm would be figured the same."

Officers Training School Planned For County 4-H Clubs

An officers Training School is being held this week for training the newly elected officers of the 4-H clubs in the county. Every 4-H club officer is urged to attend this school so that more effective club work can be accomplished this year.

The school is to be held at Zion Chapel January 24 for the officers of Newlin Bluff Springs and Zion Chapel clubs, Pine Level, Basin, and Curtis 4-H club officers will meet at Curtis January 26. Eanon, Victoria, and New Hope 4-H club officers training school will be held at New Hope January 27. The officers of Fairview, Damascus, Goodman and Mt. Pleasant clubs will meet at Mt. Pleasant January 28 for their officers training.

The officers expected to attend from each club are: President, Vice President, Secretary, Song Leader and Reporter. The school will also serve as Devotional leader in some of the clubs. These training schools were made possible through the cooperation of Mr. Kermit Crook, Supt. of Education and the principals and the local leader of each school where a 4-H club is organized.

Ramie Discussion At Dothan Meet

A meeting will be held at the City Auditorium in Dothan January 31 at 1 P. M. for the purpose of discussing the growth of ramie in this section. Ramie is a fiber crop that produces three or four cash crops per year. There will be several speakers of note, including Dr. Wong of China, Mr. W. A. Anderson, a grower of ramie from Louisiana, Mr. G. Breton, inventor of the ramie combine, and others. A movie and samples of the fiber and finished products will be shown in connection with the discussion.

3,000 People Attend Showing Of 1949 Chevrolet Here

The showing of the new Chevrolet, held at the Dorsey Bros. Chevrolet showroom Saturday, attracted approximately 3,000 persons during the day, according to an estimate of Sales Manager Sam Rowe. Mr. Rowe said the Chevrolet employees had a six o'clock breakfast at Cook's Grill Saturday morning and even before the meal was over a good sized crowd of people had assembled, eager to get a view of the new car.

Mr. Rowe said the Dorsey force was kept busy all day showing and demonstrating the new car, and it seemed the unanimous verdict of the vast crowd of guests who inspected it that the new Chevrolet is by far the best and most attractive car the Chevrolet company has ever made.

The first completely new car the Chevrolet company has built in more than seven years, is the most beautiful of all, and the company claims it is the most beautiful of all, from every point of view—for styling, for driving and riding ease, for performance and safety, and for sturdy endurance of quality construction throughout.

Mr. Rowe said he was highly gratified at the hearty reception given the showing of the 1949 Chevrolet car by the people of Elba and surrounding territory Saturday. Many persons expressed a desire to own one of these fine cars.

Old Church Records Found By Mrs. J. A. Carnley

While going through an old chest in her home recently, Mrs. J. A. Carnley ran across some old church records which contained news items of long ago. Among them were accounts of the early church days in Elba. The Clipper files were destroyed in the flood of 1929, so old copies prior to that time are rare.

According to a Clipper of 1911 the Elba Methodist church was being occupied for the first time on February 12 of that year. The pastor, Rev. J. P. Peagin, preached the text: 22nd verse of the 74th Psalm.

Mrs. Carnley said the Baptist congregation worshipped in the Methodist church building every other Sunday, as the Baptist church had not been constructed at that time. Both congregations had only half time preaching on March 1st when the fruit crop.

Tigers Win Games From Dothan And New Brockton

Play Kinston Team At Elba Gym Friday Night
(By Howard Stroud)

The Elba High Tigers chalked up two more victories last week in defeating New Brockton and Dothan. They edged out New Brockton in an overtime period by a 43-42 score. They also beat Dothan, the score being 52-43. The New Brockton game was the most exciting we have seen this year.

Elba took an early lead and kept it until the third period when New Brockton racked up 17 points to take the lead 30-28. After the third quarter let-up, however, the Tigers settled down and held the opposition to a 40-40 deadlock at the end of the regulation period. Tying goal was an overhead shot by Harold Farris.

Both teams made a field goal in the overtime period and Elba's center, Jacobs, sank a free throw to gain a 43-42 victory. Score by quarters was as follows: 9-6, 20-13, 28-30, 40-40.

Farris was disqualified on fouls in the last period and Miller and Wilson of New Brockton went into the overtime period via the foul route.

Billy Jacobs was top man for the Elba squad with 22 points and Johnson was runner up with 14. Polson led the losers with 24 points and Rodgers placed second with 9.

Steelers Put On Good Basketball Show Here Wednesday

Arrows Go Down 89 To 43 Before Professionals

Elba basketball fans got an idea of what professional basketball is, at the school gymnasium Wednesday night. The Birmingham Steelers, members of the Southern Professional Basketball League, opposed the Western Auto Circle Arrows, who were the county's strongest independent teams in this section.

As was expected, the Arrows were no match for the seasoned, superbly conditioned professionals, who gave a spectacular demonstration of the possibilities of the cage game. However, the Arrows were at full strength and put up a game fight against the strong odds.
